

Dealing with dental insurance can be stressful to most patients and can sometimes be an obstacle to ideal dental care. NORTH POTOMAC SMILES will always be on the patient's side when dealing with dental insurance companies and will even process all the dental insurance claims for the patient. In order to expedite the claim process, please make sure to bring your dental insurance card with you on your first visit or whenever your plan changes.

In order to be accessible to the majority of the public, we **PARTICIPATE** with the following dental **PPO and discount plans**:
